JOB TITLE: Multi-Disciplinary Support Worker
Reporting to CEO – Jo Howes
Hours of Work 24
Term Fixed term Contract until 31st August 2025
Salary £13728 (FTE £21000)

This is a new, exciting opportunity, funded by the Trussell Trust, working with the foodbank centres (including where possible, their hot meals and community groups) of St Mary Magdalene Gorleston and Great Yarmouth Pathways and Resource Centre.

The key elements of the role will be to provide relevant and timely advice to people who face complicated life challenges, working collaboratively within the community to embed first step support at a neighbourhood level. The post holder will work as part of the existing teams in the two centres supporting local residents to address complex life challenges that they are experiencing by providing information advice and guidance whilst linking them into other specialist agencies where necessary.

The post holder will work closely with the DIAL team and other local agencies. This will ensure that the provision of specialist and community-based support is integrated, reducing confusion amongst vulnerable people who are trying to access help and support.

Where not already held the successful candidate will be upskilled to achieve an Institute of Money Advisors accreditation.

DIAL is committed to equality of opportunity for all staff, and applications from individuals are encouraged regardless of age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships.
